A Quality New Home is Awaiting you!

TimberCraft Homes is now building new homes in the Third Phase of the Huntwood Place Subdivision. This third Phase is comprised of 23 premiere building sites including mature woods, acreage sites, and pond sites. The rolling topography lends itself nicely to walkout basements, or

basements. We are currently breaking ground on new models for summer 2002. The prices range from the high \$200's up into the upper \$300's. Whatever your need is, Timbercraft is

A beautiful piece of property deserving of beautiful new homes.

likely able to provide a home for you. We offer a full service building company, while specializing in individualized attention. Our services include building new homes on our lots, or on your existing lot. We can also provide house demolition so

WE PRIDE OURSELVES ON YOUR SATISFACTION.

My name is Bob Lowe, I'm the president of Timbercraft. As a Home Builder, I pride myself on the homes I build. What better way to judge my product than by the satisfaction of each of my customers. My goal is total customer satisfaction. That's why when you come to

My Reputation is as good as my last customer says it is...

Timbercraft Homes, I will offer to set up an appointment to meet with some of my prior customers. When I build your new home every decision will be made based on my next customer walking through your new home asking you if you are completely satisfied.

BUYING A NEW HOME WITH NO HIDDEN COSTS

When Timbercraft Homes bids your new home, you can rest assured that there will be no hidden costs. We bid a house to be in "move-in" condition. Your new home will include generous cabinet, electrical fixture, and
